Call to Worship		Vickie Kern
In the beginning when God created the heavens and the earth, the earth was a formless void and darkness covered the face of the deep, while a wind from God swept over the face of the waters. Then God said, "Let there be light"; and there was light. From the very dawn of creation until the dawn of today's new day, God has brought light into the darkness. Whatever shadows and chaos chills your soul this morning, let it be washed away by the light of God's love. Let us worship together.
